

BattoTV

YOUTUBE IS MADE TO KEEP CHILDREN WATCHING. BATTOTV ISN'T.

You choose what they watch. **We've already found the good ones.**

A walkthrough for families: BattoTV Picks ready for your child's age and language, the limits you set, and what kids see.

✦ Picks by age and language

🔒 No Shorts, no autoplay

🕒 Limits kids can't skip

 battotv.com

Ready in 4 simple steps

No app store needed. It works on any phone, tablet or TV browser.

1

Sign in

Open **battotv.com**. We email you a 6-digit code. No password, no card: **14 days free**.

2

Add your kids

A name, their **age** (or birthday) and **language**. Up to 4 children.

3

Picks are ready

BattoTV Picks switch on by themselves for their age and language. Add your own if you like.

4

Hand it over

Tap **Kids**. They tap their picture and watch, within the limits you set.

1 FIRST VISIT

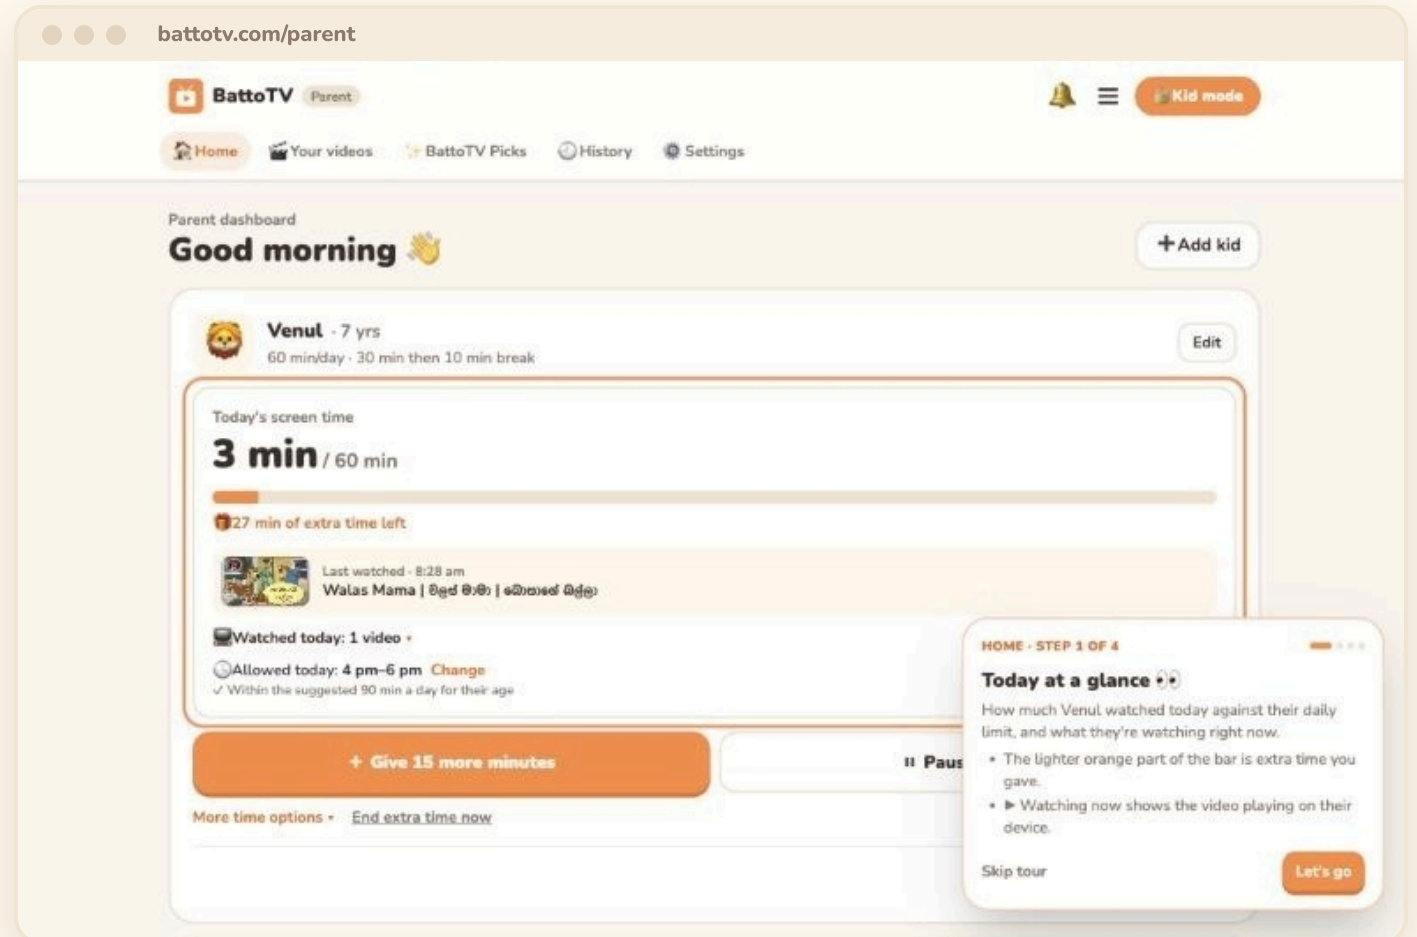

A friendly tour shows you around

Short tips point to each part of the dashboard the first time you sign in.

Tap **Let's go** to follow along, or **Skip tour** any time.

2 PARENT DASHBOARD

Today, at a glance

How many minutes each kid watched today, against their daily limit.

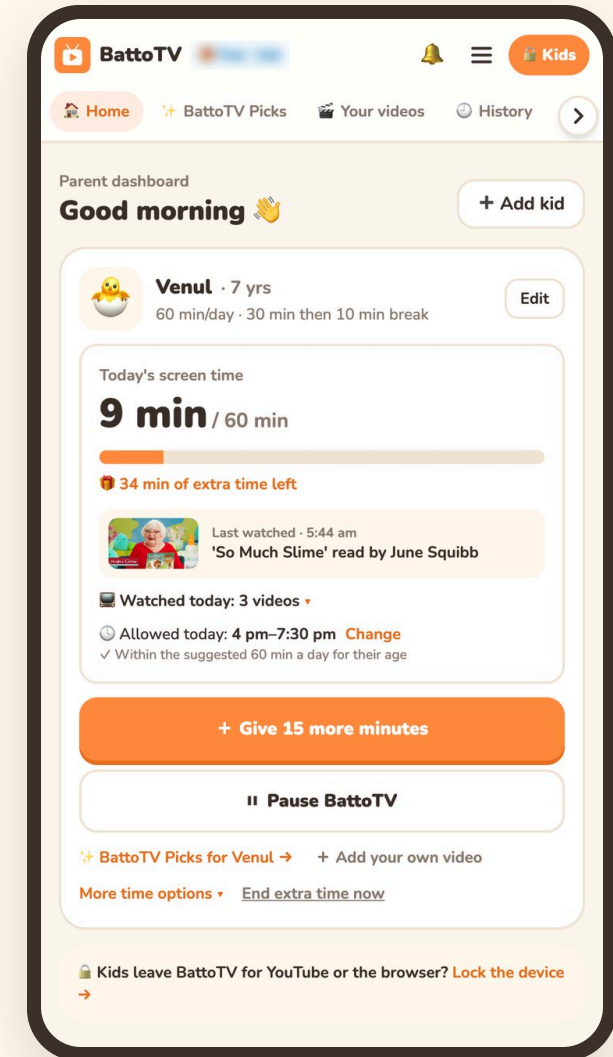

What they watched last, and today's allowed hours.

Give 15 more minutes or **Pause BattoTV** with one tap, from anywhere.

BattoTV Picks for Venul → and + Add your own video, right under each kid.

3 EACH KID

A profile **for every kid**

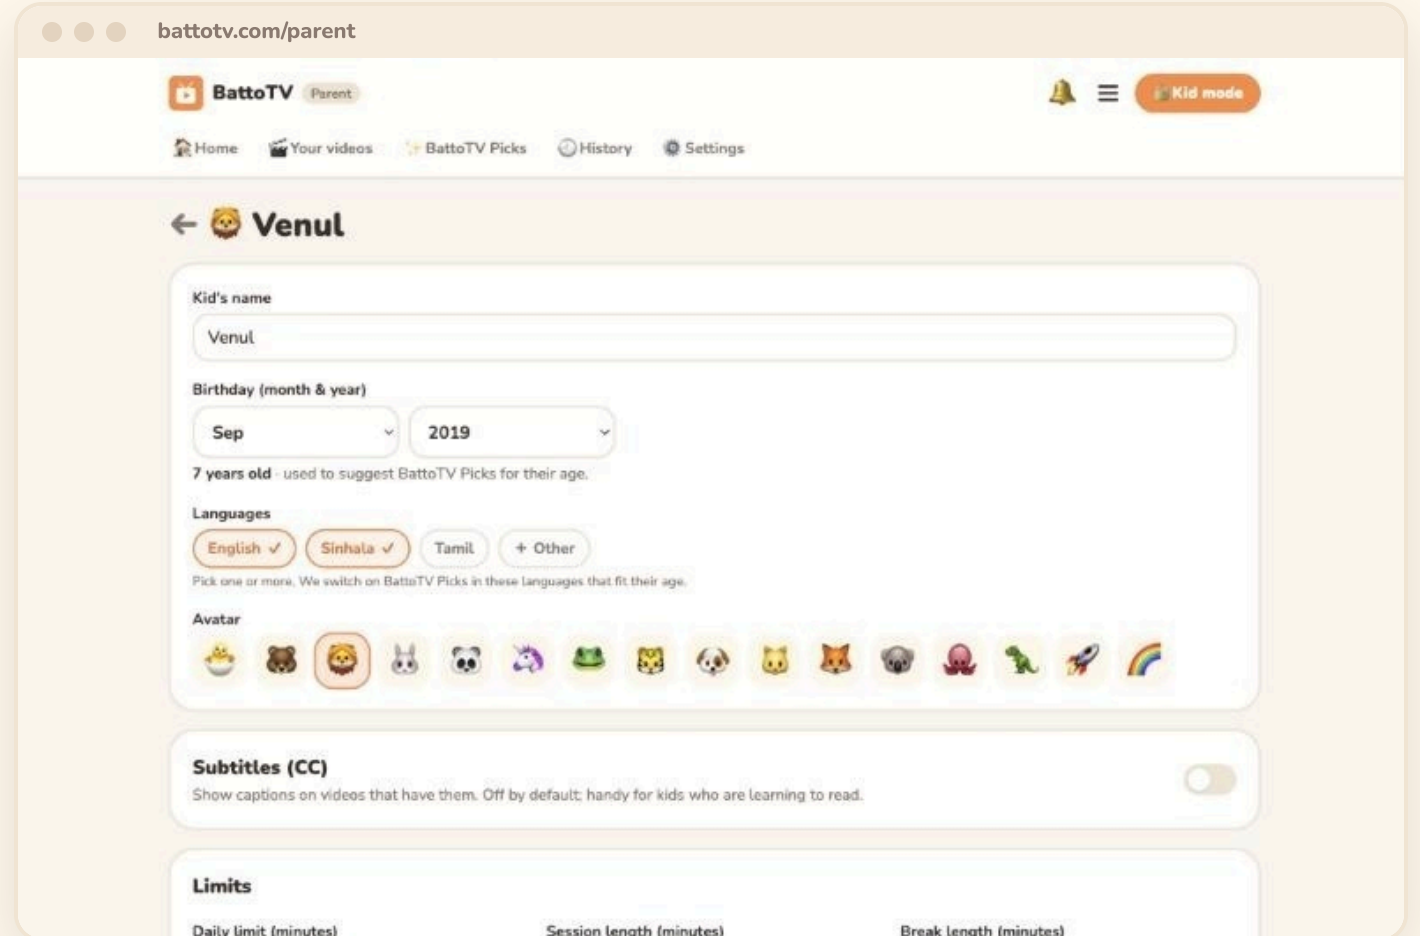

Their **age**, or birthday month and year. Limits and Picks follow it.

Languages: English, Sinhala, Tamil or others. Picks in those languages switch on.

A fun picture kids recognise, even before they can read.

The screenshot shows the Battotv.com/parent website interface. At the top, there's a navigation bar with the Battotv logo, a 'Parent' tab, a bell icon, a menu icon, and a 'Kid mode' button. Below the navigation bar, there are links for 'Home', 'Your videos', 'BattoTV Picks', 'History', and 'Settings'. The main content area is titled 'Venul' with a back arrow. It contains several sections: 'Kid's name' with a text input field containing 'Venul'; 'Birthday (month & year)' with dropdown menus for 'Sep' and '2019', followed by the text '7 years old - used to suggest Battotv Picks for their age.'; 'Languages' with buttons for 'English' (checked), 'Sinhala' (checked), 'Tamil', and '+ Other', with a note 'Pick one or more. We switch on Battotv Picks in these languages that fit their age.'; 'Avatar' with a row of 15 animal and object icons, where the lion head icon is selected; 'Subtitles (CC)' with a toggle switch that is currently off, and the text 'Show captions on videos that have them. Off by default; handy for kids who are learning to read.'; and 'Limits' with three input fields for 'Daily limit (minutes)', 'Session length (minutes)', and 'Break length (minutes)'.

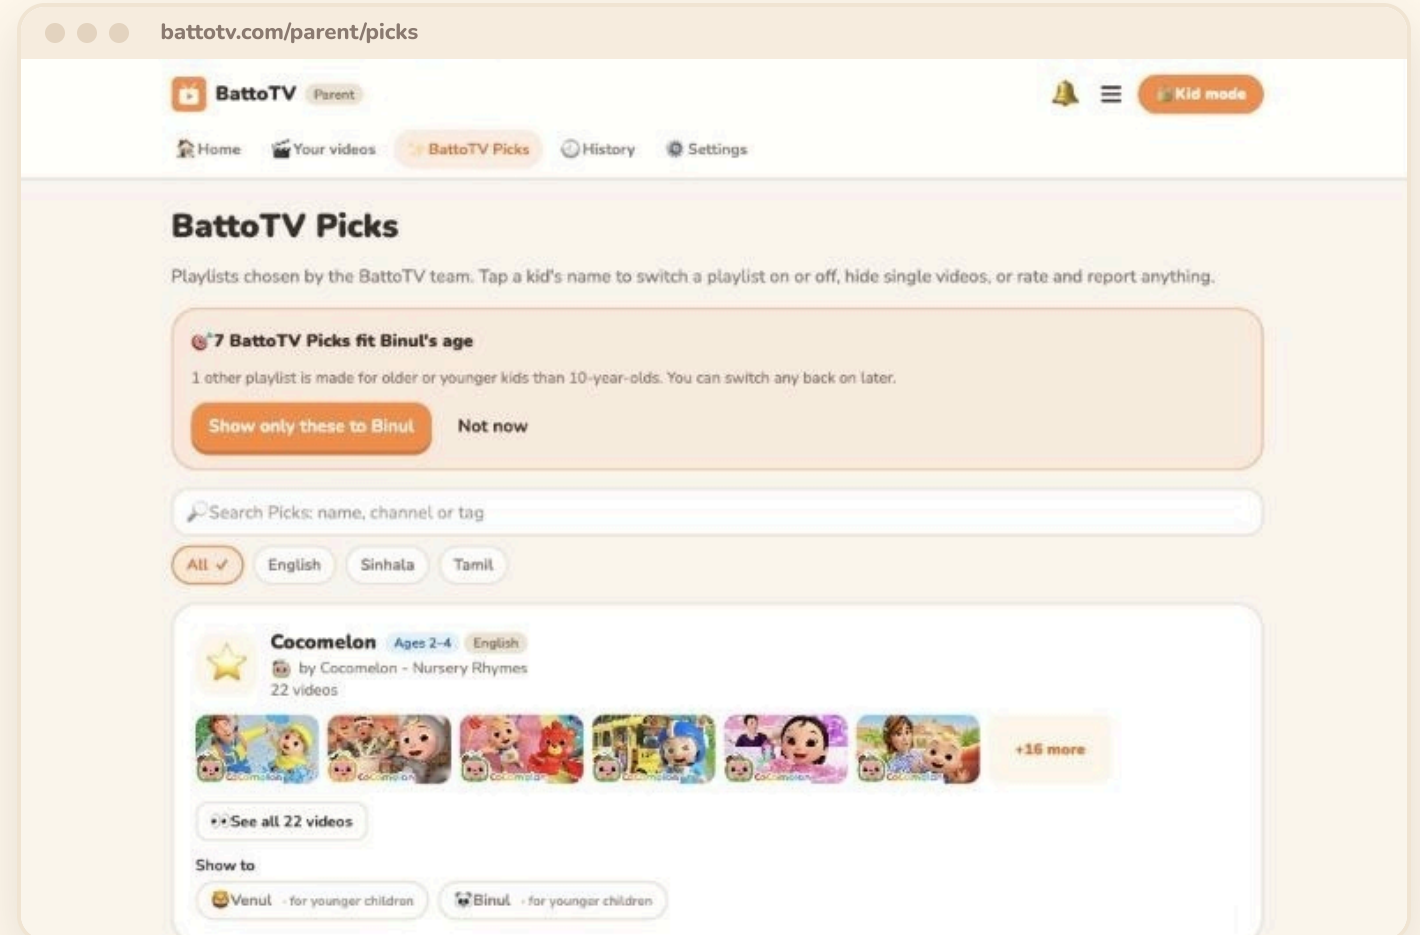

4 BATTOTV PICKS

Ready to watch. We've picked for you.

✨ Kids' playlists chosen by the BattoTV team. The ones for your child's **age and language** switch on by themselves.

📁 Six categories: 🎬 **Cartoons** · 🎵 **Songs** · 📖 **Stories** · 🧠 **Learning** · 🔬 **Science** · 🎨 **Creative**.

👉 Switch any Pick off or on in a tap, and hide or report single videos.

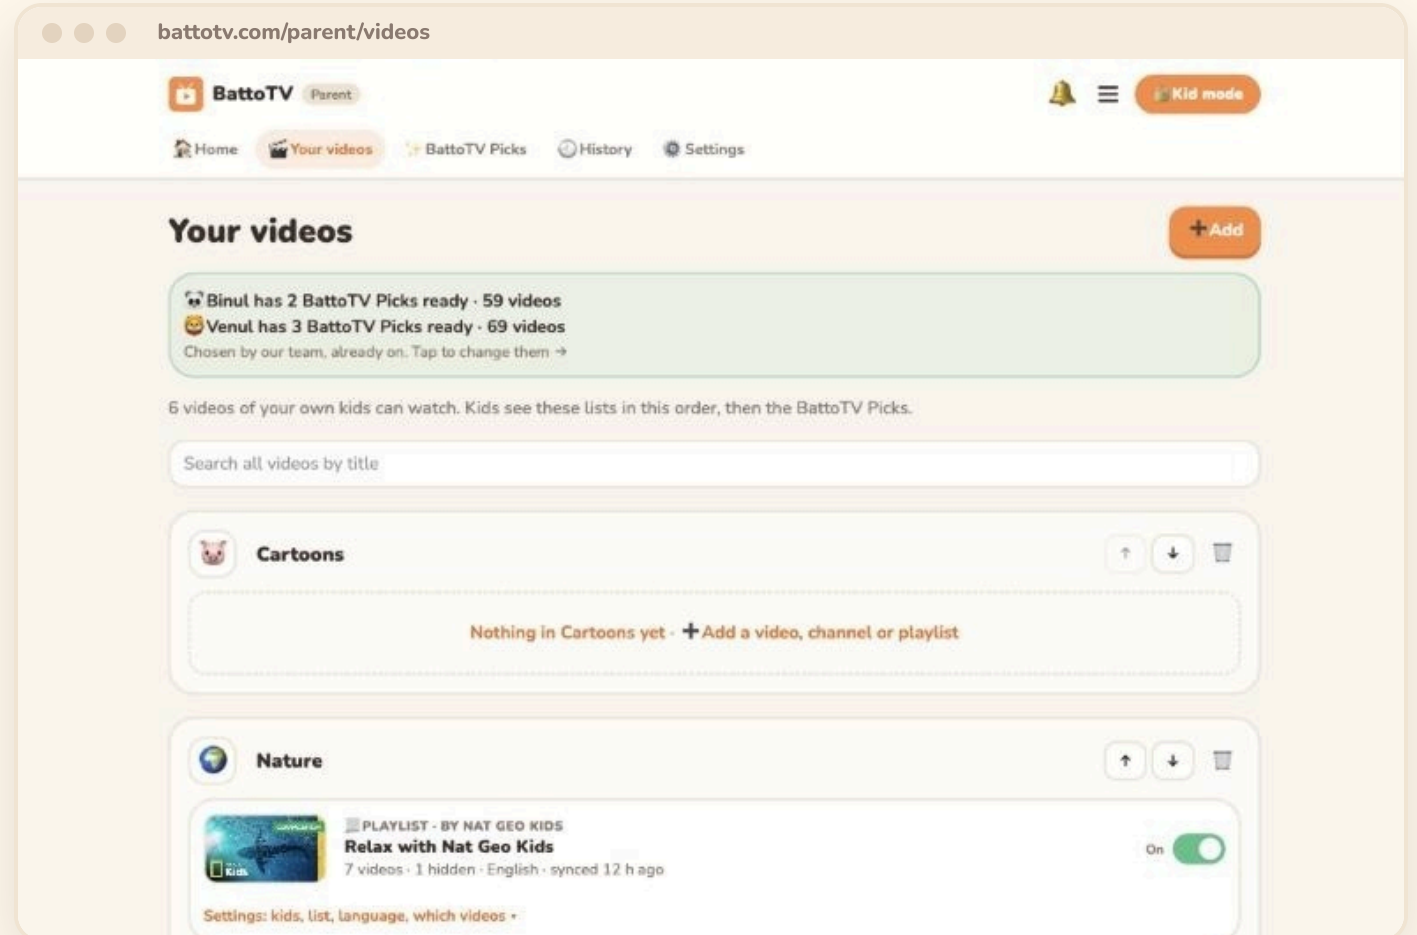

5 YOUR VIDEOS

Your own lists, **your way**

 Your lists sit under the same six categories, next to the Picks.

 Make a new list with its own name in any category.

 Switch any channel or playlist on or off, and hide single videos.

6 ADD A VIDEO

Want more? Paste a link.

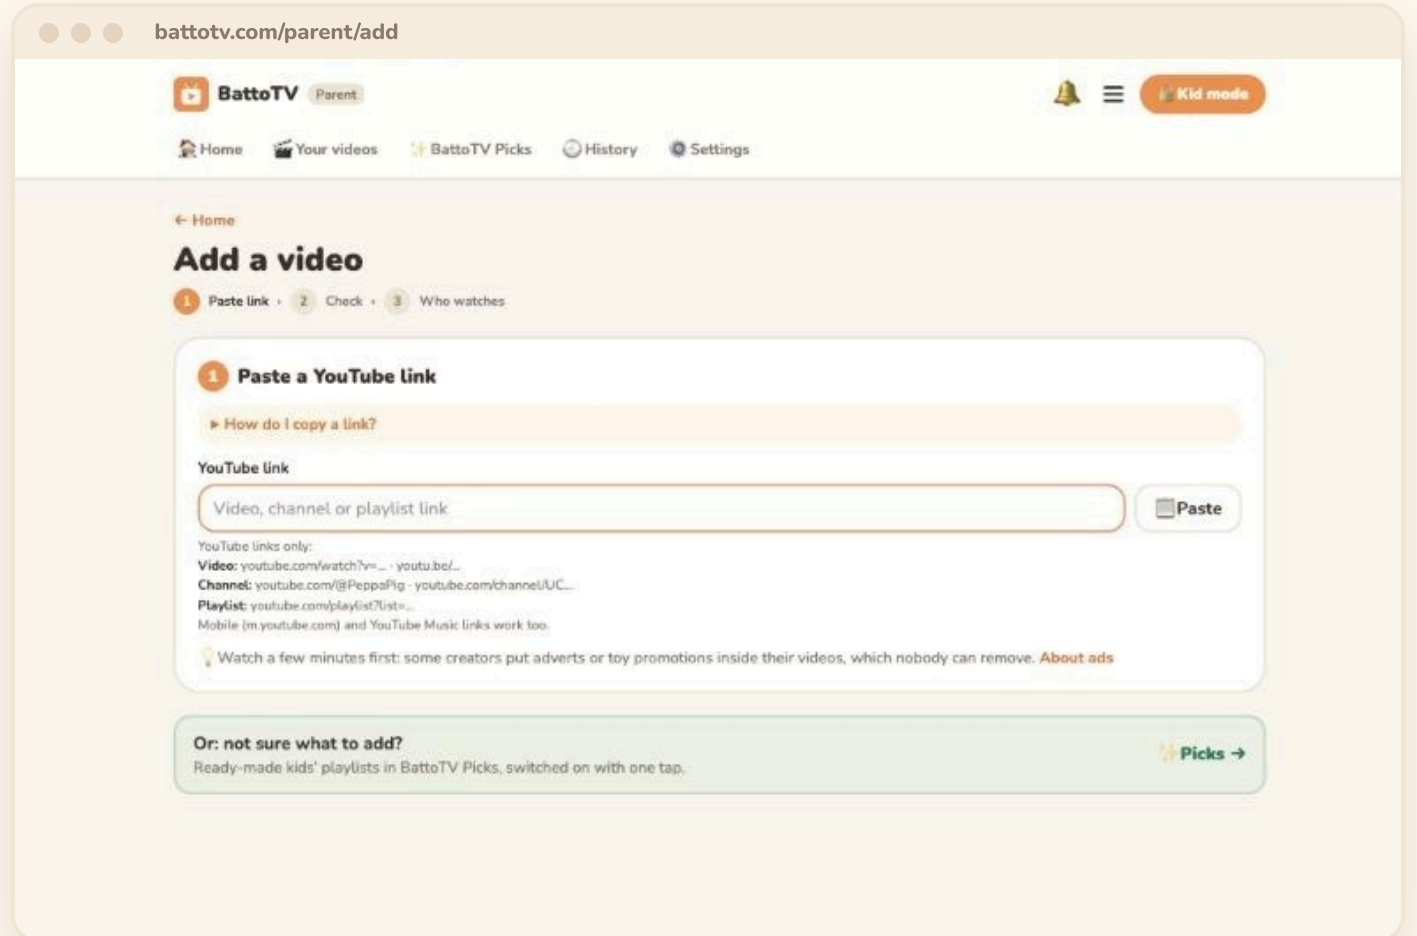

Copy any YouTube **video**, **channel** or **playlist** link and paste it.

Where kids find it: pick a category, then a list.
Choose which kids can watch it.

Add another to the same list, and new videos on a channel arrive by themselves.

The screenshot shows the Battotv.com/parent/add page. The header includes the Battotv logo, a 'Parent' tab, a bell icon, a menu icon, and a 'Kid mode' button. The navigation bar has links for Home, Your videos, Battotv Picks, History, and Settings. The main content area is titled 'Add a video' and includes a progress bar with steps: 1. Paste link, 2. Check, and 3. Who watches. The first step, 'Paste a YouTube link', is active. It features a 'How do I copy a link?' link, a 'YouTube link' section with a text input field labeled 'Video, channel or playlist link' and a 'Paste' button, and a list of YouTube link examples: Video: youtube.com/watch?v=..., Channel: youtube.com/@PeppaPig, and Playlist: youtube.com/playlist?list=... It also includes a note about ads: 'Watch a few minutes first: some creators put adverts or toy promotions inside their videos, which nobody can remove. About ads'. At the bottom, there is a section titled 'Or: not sure what to add?' with a note about 'Ready-made kids' playlists in Battotv Picks, switched on with one tap.' and a 'Picks' button with a right arrow.

7 SCREEN TIME

Limits kids **can't skip**

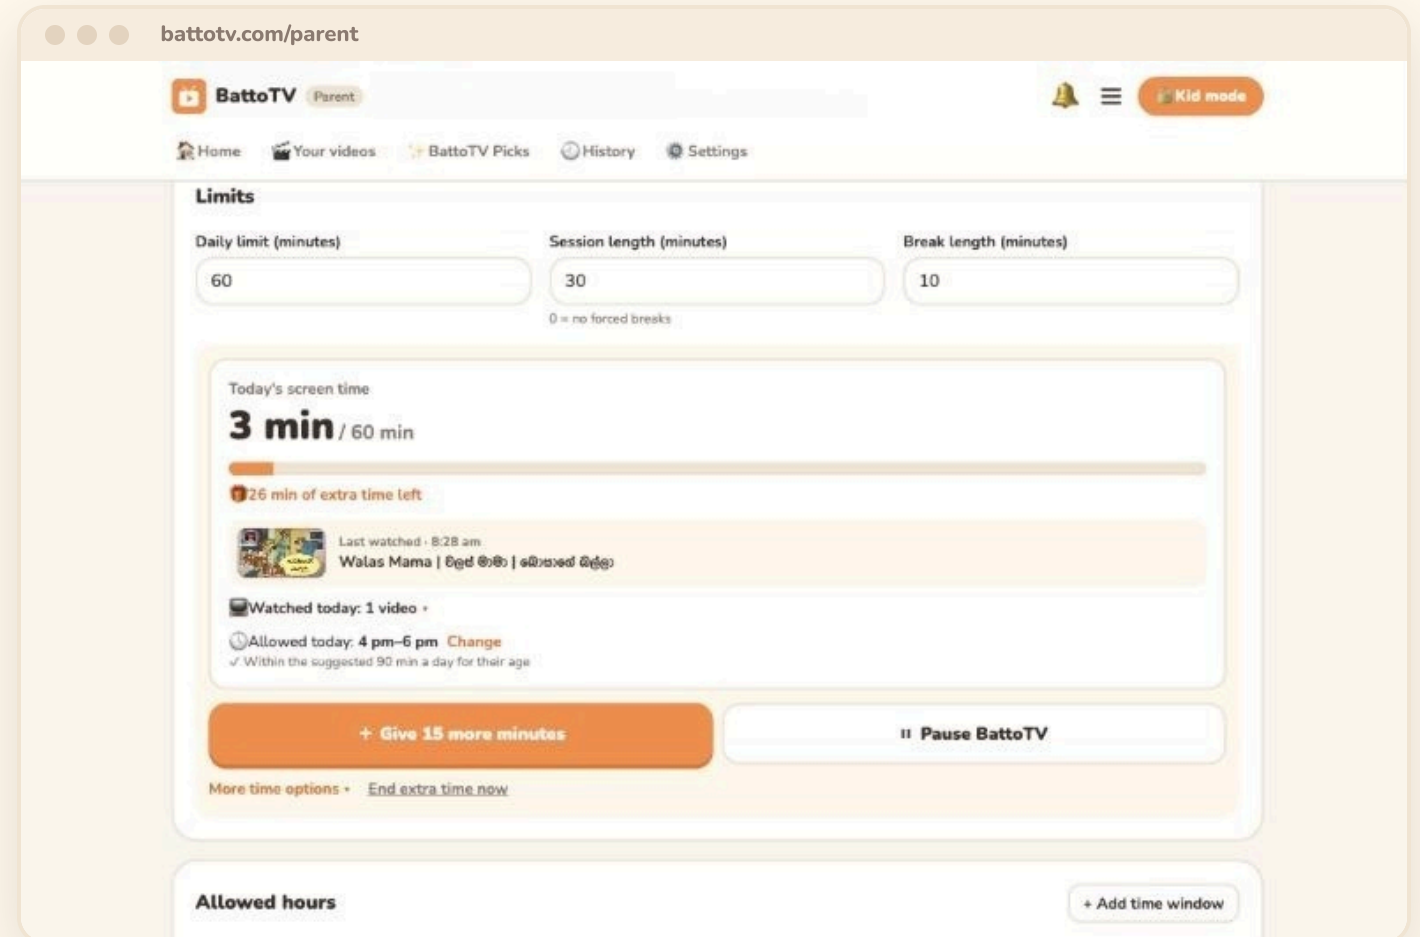

Daily limit, suggested by age: for example 60 minutes a day at 7.

Short turns with breaks: 30 minutes, then a 10-minute break.

Special day? Give extra time, and end it whenever you like.

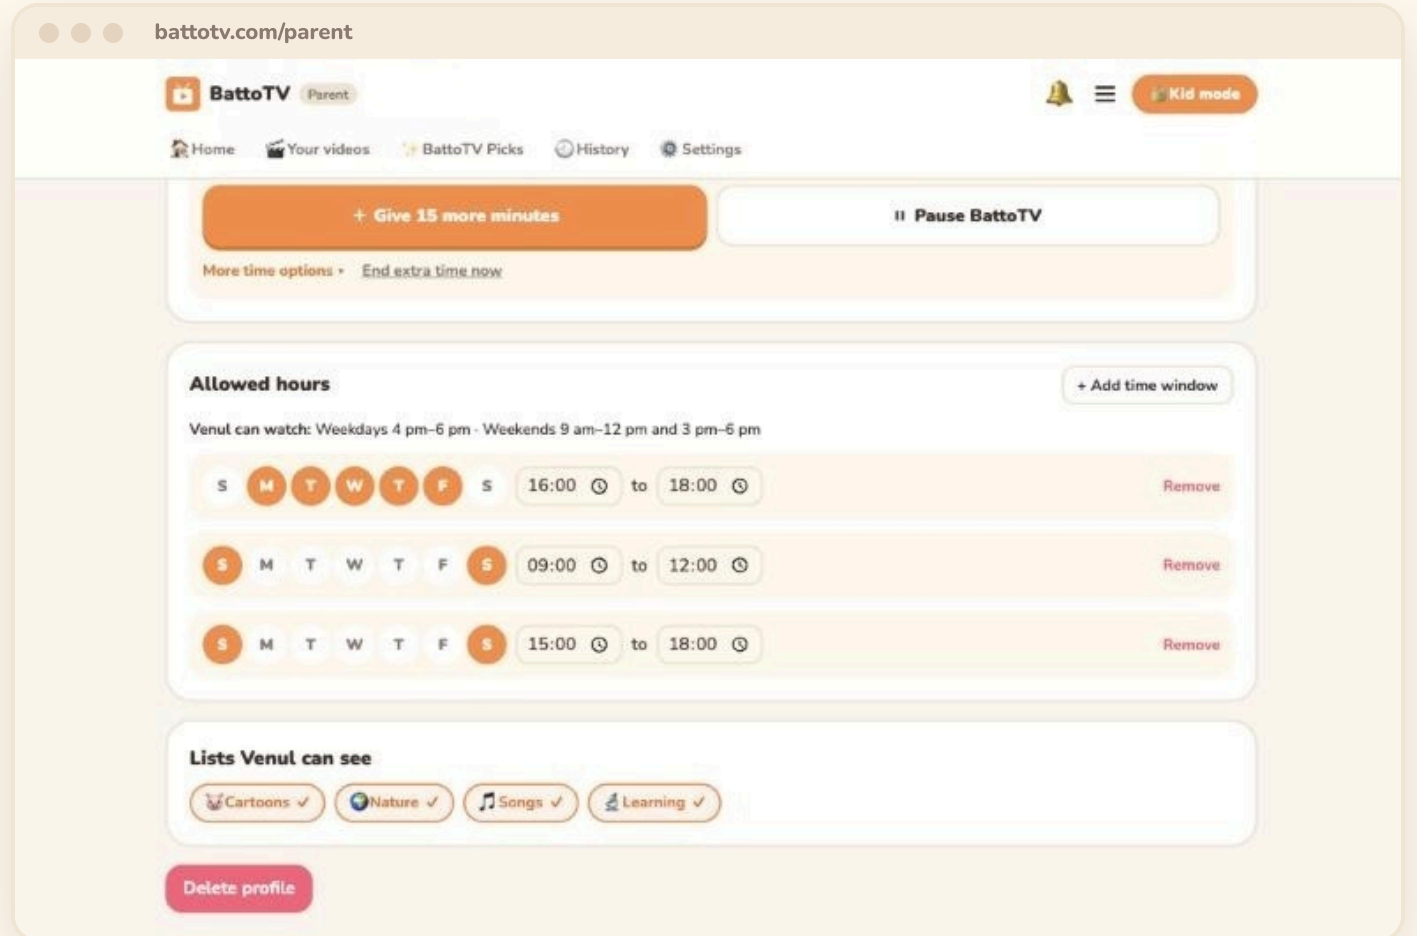

8 ALLOWED HOURS

TV sleeps when you say so

 Pick the days and times, for example **weekdays 4–6 pm**.

 Different hours for weekends. Add as many time windows as you need.

 Outside these hours, kids see a calm "TV is sleeping" screen.

The screenshot shows the Battotv.com/parent interface. At the top, there's a navigation bar with the Battotv logo, a 'Parent' tab, a bell icon, a menu icon, and a 'Kid mode' button. Below the navigation bar, there's a section with two buttons: '+ Give 15 more minutes' and 'Pause Battotv'. Below this, there's a section titled 'Allowed hours' with a '+ Add time window' button. The 'Allowed hours' section shows a list of time windows for 'Venul' to watch. The first window is 'Weekdays 4 pm–6 pm' and 'Weekends 9 am–12 pm and 3 pm–6 pm'. Below this, there are three rows of time windows, each with a day selection (S, M, T, W, T, F, S), a start time, an end time, and a 'Remove' button. The first row is 'S M T W T F S 16:00 to 18:00'. The second row is 'S M T W T F S 09:00 to 12:00'. The third row is 'S M T W T F S 15:00 to 18:00'. Below the 'Allowed hours' section, there's a section titled 'Lists Venul can see' with four buttons: 'Cartoons', 'Nature', 'Songs', and 'Learning', each with a checkmark. At the bottom, there's a 'Delete profile' button.

9 WATCH HISTORY

See what they really watched

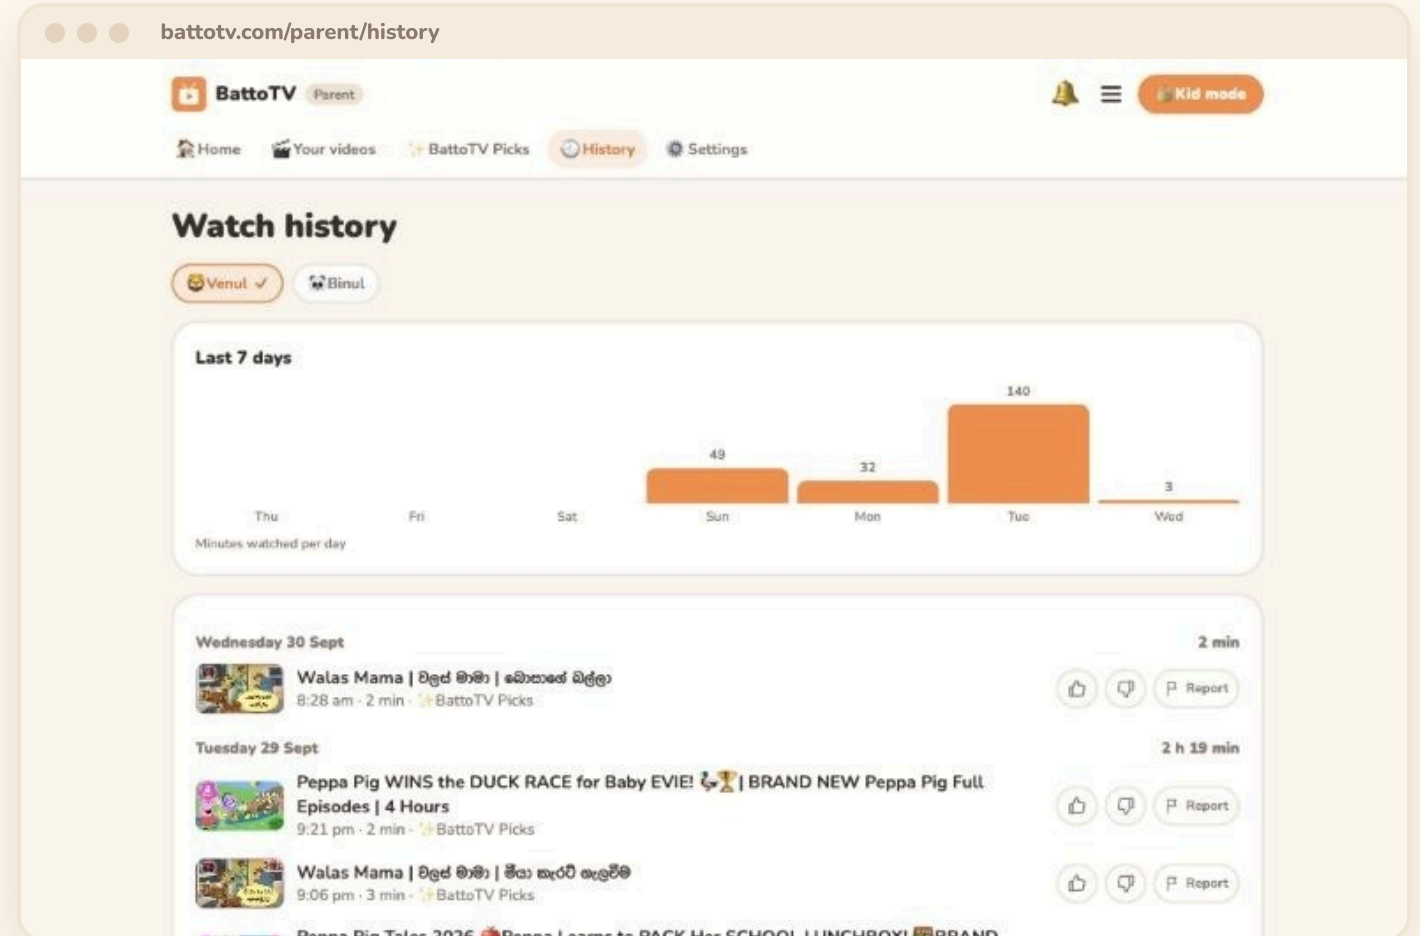

Minutes watched each day for the last 7 days.

Every video, with the time and how long they watched.

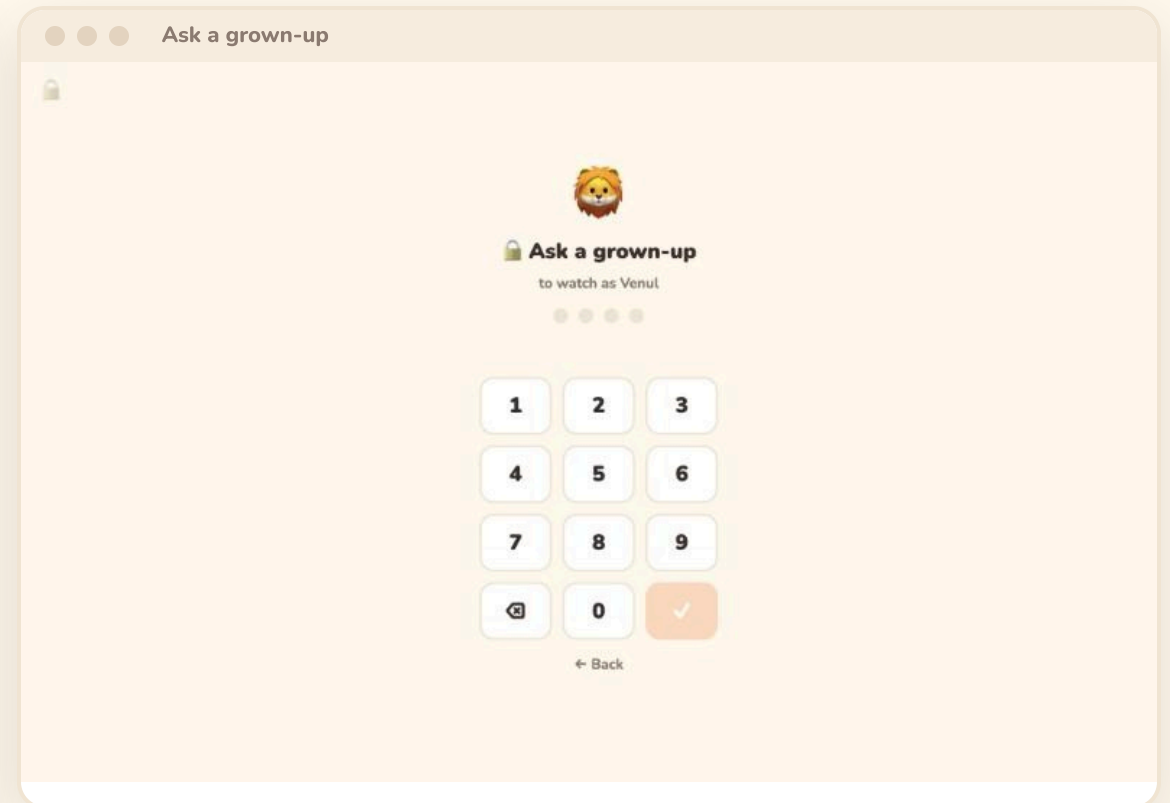

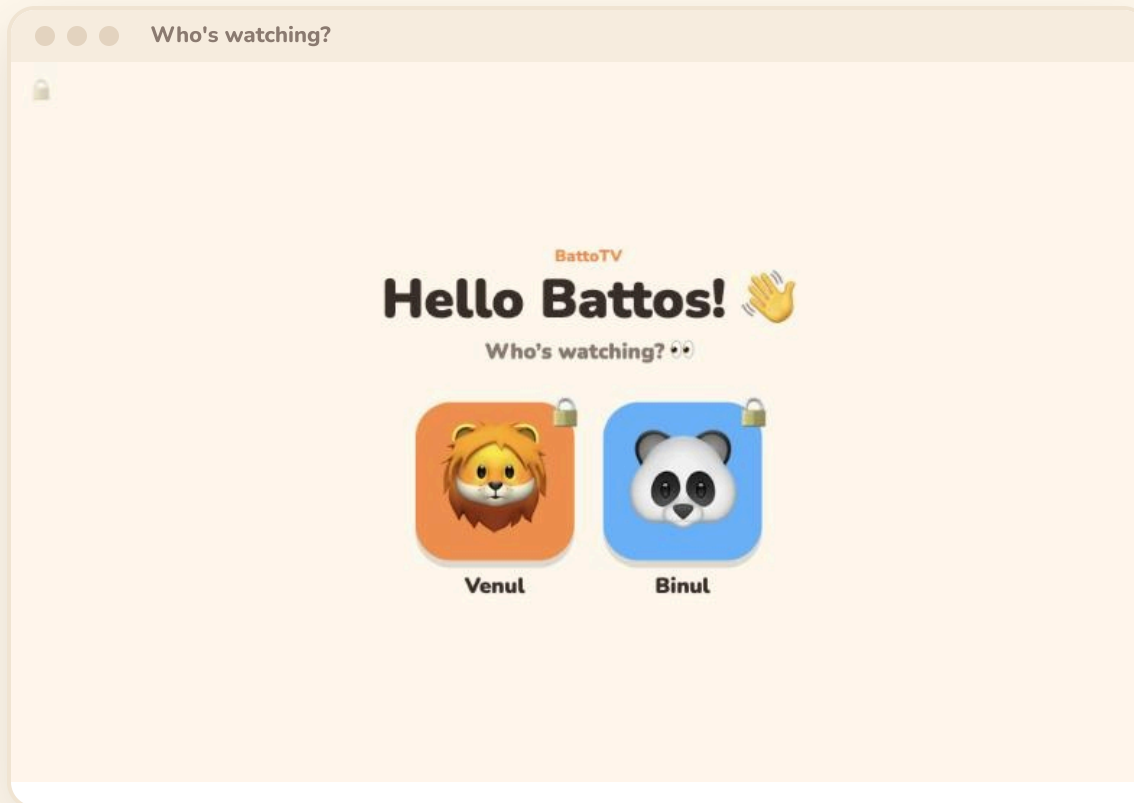

Like, dislike or report any video straight from the list.

Tap your picture. **Start watching.**

No typing and no searching. A profile can also ask a grown-up for the PIN before it opens.

11 KID'S HOME

Big pictures, something new every day

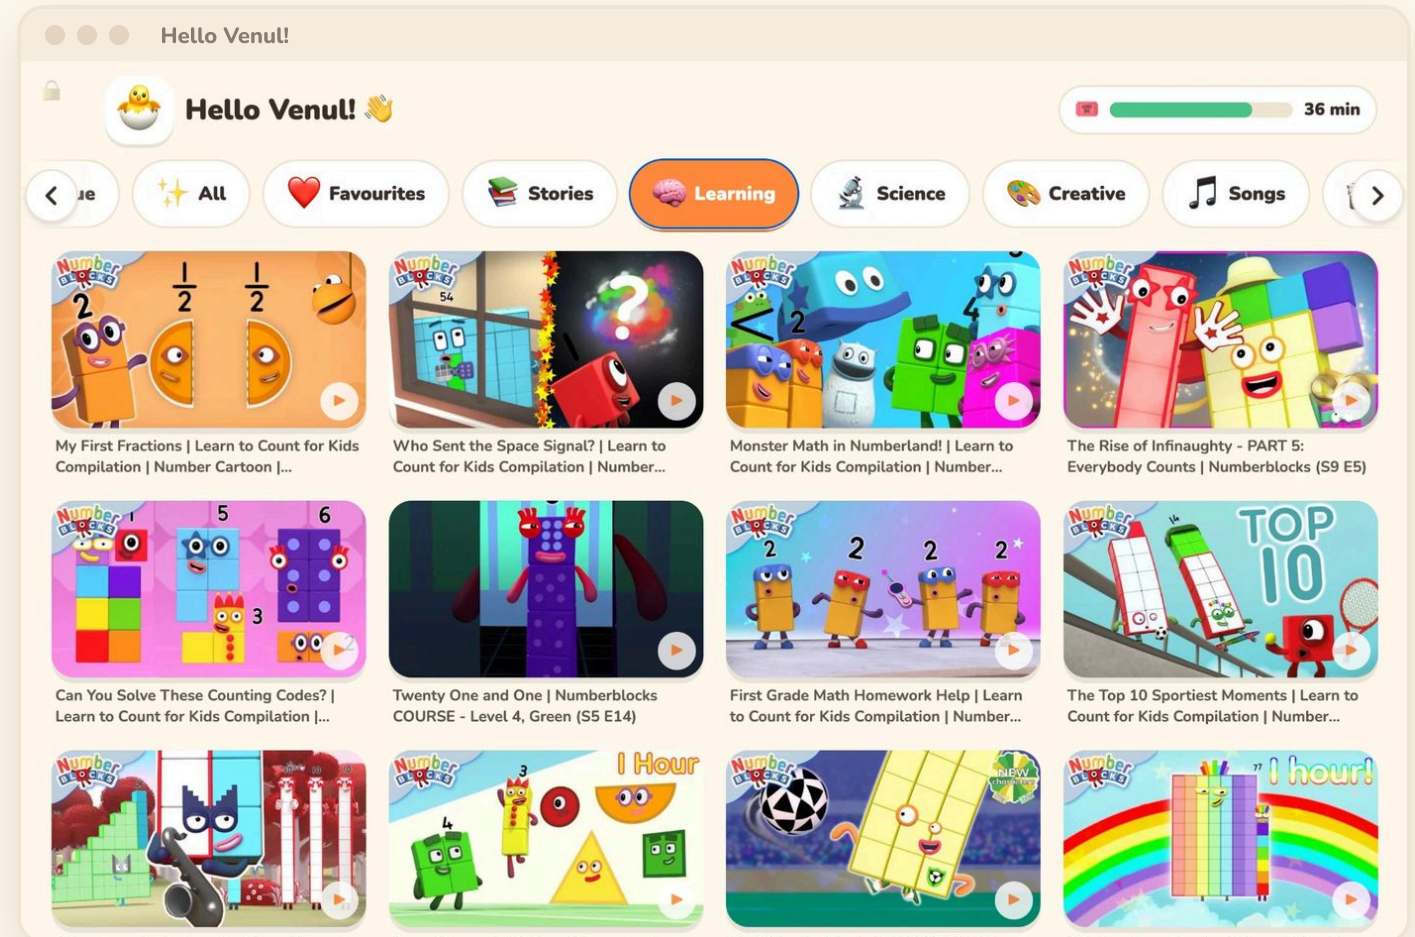

Only approved videos, as big tiles: **20 at a time**, with  **More videos**. A fresh 20 leads each day.

Categories across the top. A different one leads each day, **Cartoons last**, so they try learning, stories and science too.

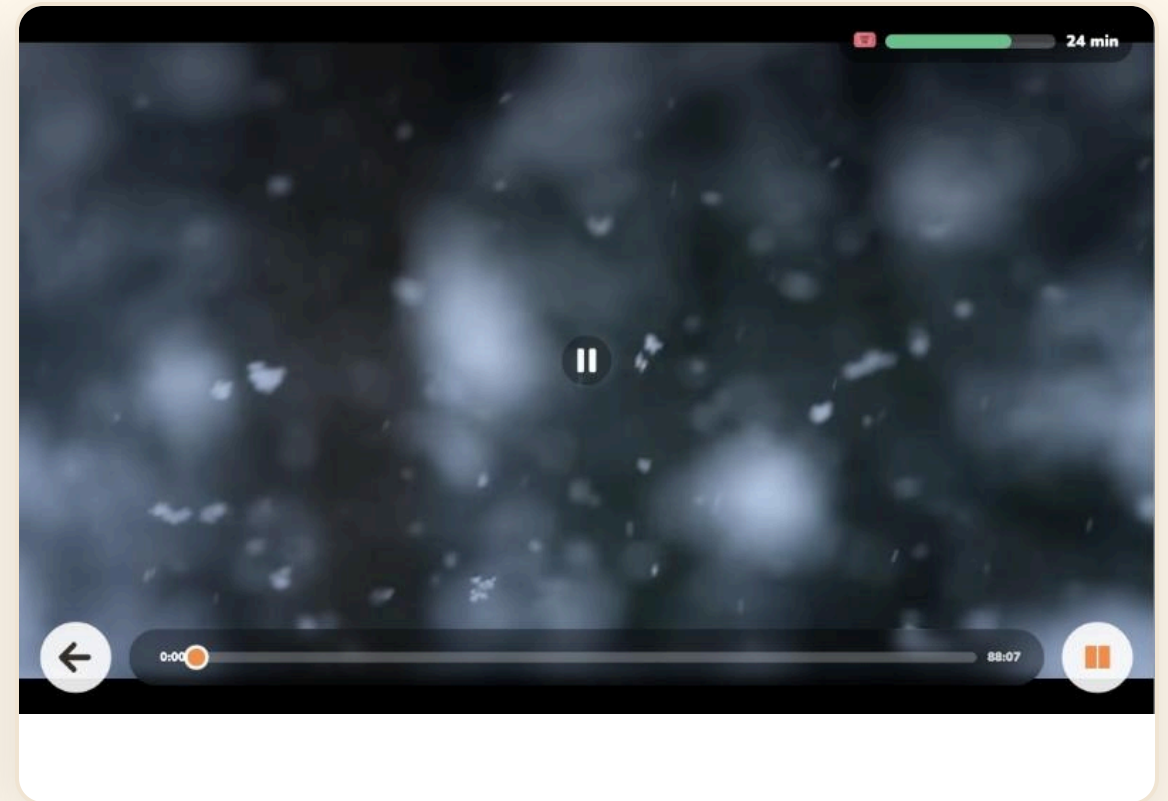

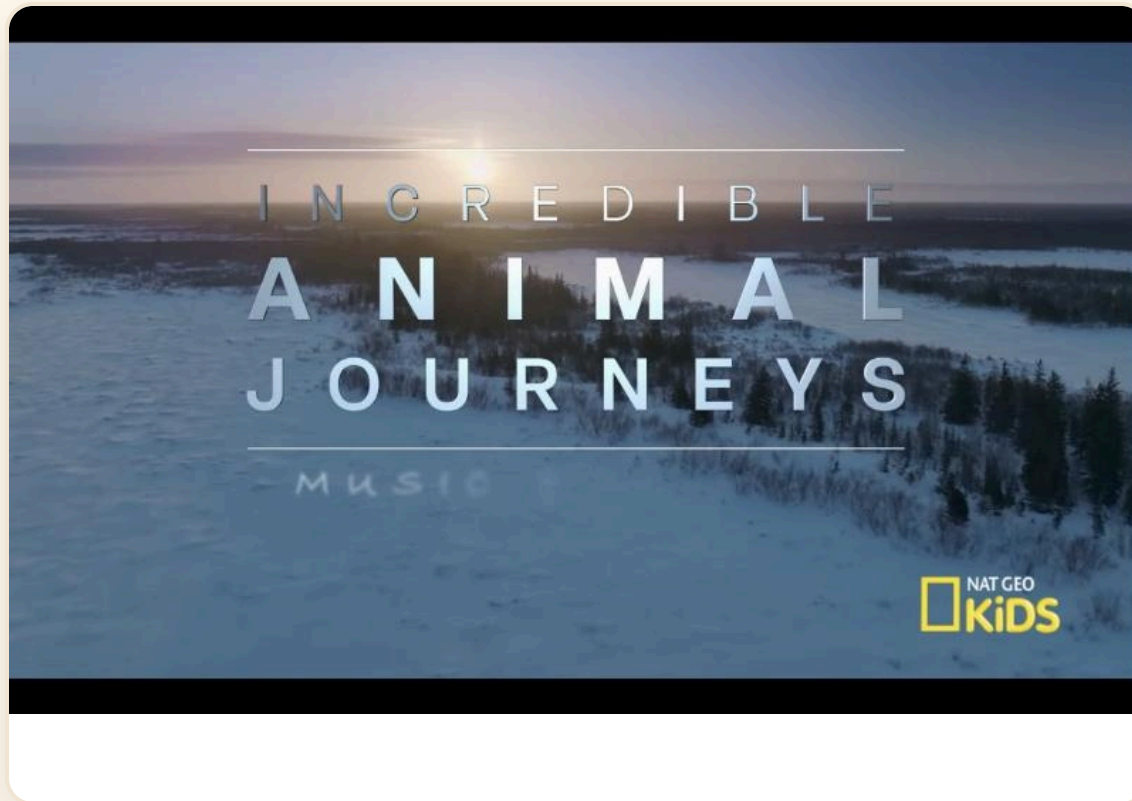

Continue where they stopped, their own **Favourites**, and a bar showing the minutes left.

12 WATCHING

Just the video. **Nothing to wander off to.**

No suggested videos, no comments, no Shorts, no links out to YouTube. Simple buttons: back, pause, ❤️ to save it, and the time left.

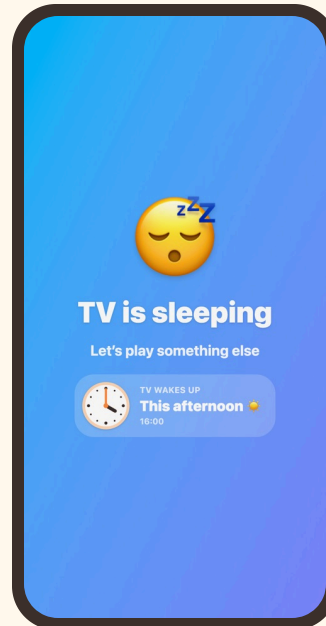

13 WHEN TIME IS UP

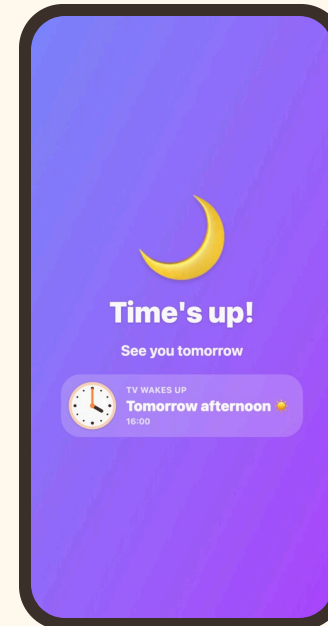

Calm screens, no arguments

 Friendly pictures kids understand, and when the TV wakes up again.

 **To unlock:** hold the  **top-left corner** for 3 seconds, type your PIN, then give more time.

 **TV is sleeping**
Outside allowed hours

 **Time's up**
Daily limit reached

 **Break time**
Between short turns

 **Paused**
A grown-up paused it

Try it free for 14 days

No card. Nothing renews by itself.

Then BattoTV Family: up to 4 children, LKR 4,990 a year
