

You choose **what they watch.**

We've already found the good ones: BattoTV Picks by age and language, with limits kids can't skip. **14 days free.**

1 Sign in

Open **battotv.com**, tap **Continue with Google** or type your email and the code we send.

2 Create your PIN

4–6 digits only you know. It keeps your settings safe from little fingers.

3 Add your kids

On **Home**, tap **+ Add kid**: name, age (birthday or just the age) and language. Picks made for them switch on by themselves.

4 Picks are ready

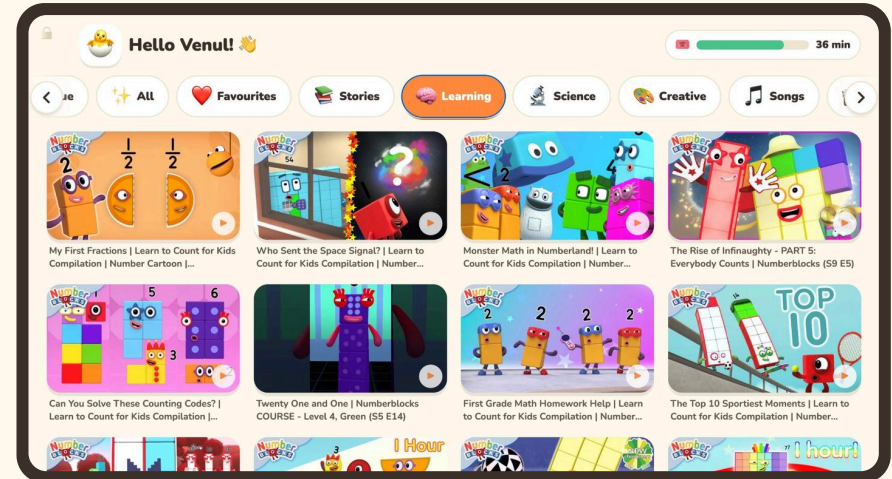

BattoTV Picks fill six categories: cartoons, songs, stories, learning, science, creative. Want more? **+ Add your own video**: paste a link, pick a category and list.

5 Set the rules

Tap **Edit** on a kid: minutes a day, allowed hours (e.g. 4–7:30 pm) and short breaks.

6 Hand it over

Tap the orange  **Kids** button. From your own phone: **+ Give 15 minutes** or **|| Pause**, even from work.

What your child sees: big pictures, a new category first each day

When the screen says no

 **TV is sleeping**

 **Time's up**

 **Break time**

 **Paused**

To unlock: hold the top-left corner for 3 seconds, type your PIN, then tap **+ Give 15 minutes**. Another kid? Tap , choose them and type your PIN.
